## **Speed Stacks Tournament Consignment Information Sheet**

When you are hosting a WSSA tournament, there will be lots of folks who want to purchase their own Speed Stacks equipment. You will be able to provide them with that opportunity through a Tournament Consignment. A Tournament Consignment offers many benefits:

- Opportunity to raise funds to offset your tournament costs
- Speed Stacks equipment provided to you at discounted prices
- No cost or “out of pocket” expenses for you or the tournament

Here’s how a Tournament Consignment order works:

- Request Speed Stacks products that you would like to sell at your tournament.
- Speed Stacks pays the shipping for the Tournament Consignment Order. You will be responsible to organize and pay for shipping of unsold items back to Speed Stacks.
- Speed Stacks will only invoice you for items sold.
- The Consignment may be kept only for the duration of the Tournament. Unsold products must be returned immediately after the tournament.
- Attached is the Tournament Consignment discounted price list we will charge you for the products – also attached is our group pricing Stacker Brochure. You may charge any price for the products as long as you do not undersell the prices on our Stacker Brochure. The difference in the pricing is your profit to be used to offset your tournament costs.

Plan your Tournament Consignment order 2 weeks before the tournament by contacting Lynn Ramos at (877) 468-2877 ext. 213 for further information.
