◆ Submit all Team, Individual, Doubles, Special Stackers and Volunteer registration forms and fees as soon as you are able. **The early registration deadline for completed forms and fees is Friday, February 12th**. A late registration fee of \$10 will be added for individual competitors who register after February 12th.

A note to schools not quite ready to compete: Even though you may not have had a chance to really build a sport stacking program at your school, we want to encourage you to simply come and observe our Indiana state tournament.

This will give you the opportunity to see the potential of this exciting sport at your school or organization. If you are unable to attend, perhaps you have some students who would like to come with their parents. Please get the word out to them. They don't need to be super fast to participate.

Participation by everyone is our goal!

Please return all registration forms and fees by Friday, February 12th to:
