What sport stacking is all about:

We build only positive pyramids! Lots of encouragement!

No put downs. Only humble winners and gracious losers.

Sport stacking not only develops important physical skills, such as hand-eye coordination, quickness and focus, it also promotes self-confidence, teamwork and good sportsmanship. Our intent in holding this tournament is to uphold these qualities and provide a positive experience for all. Please understand that most everyone involved in today's event is a volunteer working hard to do the best job they can do. Like any athletic competition, decisions and judgments will be made—most will be correct, some may be questionable—all will be sincere. We ask that all those taking part in today's tournament, including Stackers, Coaches, Officials and Spectators, do their best to work together, be good sports and positive role models and have a terrific time! Thanks for taking part in this year's WSSA World Sport Stacking Championships!

Note to “Free Agent” Stackers & Coaches – In the Main Foyer you will be given a map and directed to the “Free Agent Area” under Section 116. Stackers will pick up their Individual Prelim Time Sheet and “My Best Times” sheet and proceed to compete in the Individual Prelims on their own at anytime. They will meet their coach and teammates as indicated below. Coaches will pick up their Coaches Packet and meet their stackers at their team sign in the “Free Agent Area.” Two meeting times have been set: 9:30 am or 10:45 am (just before or after the Mandatory Coaches meeting from 9:45-10:30 am.)

Individuals (not on a team) – Pick up your Individuals and Doubles (if applicable) Prelim Time Sheets and 2009 participant lapel pin at the registration table in the foyer. Warm up and compete in the Prelims at anytime and participate in StackFest Saturday!

8:30-11 am **Jumbo Floor Relays** Open to all stackers & spectators (parents, that's you!). Form a team of 4 and join the fun!9:15-11:15 am **Prelims (Option 1) Individual, Doubles, & Timed 3-6-3 Relay**

Note: Prelims can be done at ANY division in the Main Competition Area on the arena floor, as well as the Foyer Competition Area on the concourse. Find ANY available competition table--you do not need to do your Prelims in your age division! Stackers may compete only once in each of the events.

Individual Prelims Each Competition Table has a corresponding “On Deck” Table where all Stackers start. Each Stacker warms up at the On Deck Table prior to their turn at the Competition Table. (Note: Normal warm-ups still happen at the Competition Table as well.) On Deck Table time is limited and commits the Stacker to compete next. (Consider this the equivalent of an “on deck circle” in baseball.) Once at the Competition Table the Stacker will establish fastest times in Individual 3-3-3, 3-6-3 and Cycle stacks (in this order) although he/she may choose not to compete in all three events. The Stacker will be met by a Judge, who will ask for their personalized Individual Prelim Time Sheet and “My Best Times” sheet. Prior to each stack, the Stacker will have the opportunity to do up to two (2) warm-ups before being timed three times for each particular stack. The Judge will record the “Best Time” in each category and then sign the Time Sheet. This sheet will remain at the table to be picked up by a Runner who will deliver them to the Scoring Area. A Stacker’s “Best Time” in each stack will be recorded on their “My Best Times” sheet for them to keep and compare to current World Records. *Spectators, please remain in stands, unless Jumbo Stacking.*

► Once all times have been entered into the computer at the end of the Individual Prelims, Stackers whose time remains in the top 10 of their division (posted on the Big Screen Leader Board), will qualify for that Individual Finals event on Sunday (See “Timed Finals Schedule & Locations”). **Important Note to Divisions 15, 16, 17 & 18: Although the top 10 in each of these divisions will appear on the Big Screen Leader Board, ONLY THE TOP 5 STACKERS IN EACH OF THESE DIVISIONS WILL QUALIFY FOR THE INDIVIDUAL FINALS EVENT ON SUNDAY.** Individual Prelims (Option 2) end at 1:30 pm.

Doubles Prelims Doubles teams also start at the On Deck Tables at any division. Once at the Competition Table they get two (2) warm-ups and three tries in the Cycle stack (Special Stackers do the 3-6-3). (Follow same Time Sheet procedure as Individual Prelims.) Once all times have been entered for the Doubles Prelims, the top 5 teams in each division (posted on the Big Screen Leader Board), will qualify for the Doubles Finals which will take place on Sunday. (See “Timed Finals Schedule & Locations”) Doubles Prelims (Option 2) end at 1:30 pm.

9:15-11:15 am Prelims (Option 1) Individual, Doubles, & Timed 3-6-3 Relay , cont.

Timed 3-6-3 Relay Prelims This event follows the same procedures as noted above in the Individual & Doubles Prelims except there are no warm-ups allowed at the Competition Table. The top 4 teams in each division from the Prelims (posted on the Big Screen Leader Board) will qualify for the Finals, which will take place on Sunday. (See "Timed Finals Schedule & Locations")
Important- Timed 3-6-3 Relay Prelims (Option 2) end at 12:30 noon.

NOTE: Special Stackers Finals will be held at their Division in the Foyer Competition Area at 12:30 pm on Saturday. Because of this, all Special Stackers Prelims must be completed by 11:15 am.

NOTE: ALL FREE AGENT STACKERS & COACHES: Hook up with each other at your team sign in the "Free Agent Area" under Section 116. Try first at 9:30 am, then again at 10:45 am if necessary.

9:45-10:30 am **Mandatory Coaches Meeting** (Under Section 121, enter behind right grandstand of stage. This meeting is for Coaches only to help prepare for Head-to-Head Relays , which begin after the Opening Ceremonies. Designate a team parent to oversee your team while you are at this meeting.

11:15-11:30 am Opening Ceremonies (On Stage)

► At this time we will clear the Competition Area and ask all teams to either sit up front in the grandstands near the stage or return to their seats in the arena stands to enjoy the official opening of this year's exciting tournament!

11:30am-1:30 pm Head-To-Head 3-6-3 Relays (3-3-3 for 6U), and Prelims (Option 2)

► Immediately following the Opening Ceremonies, return to your division where your Division Managers will introduce themselves and call down all Coaches for a brief pre-tournament meeting. Roll will be called, brackets will be passed out and checked, and a quick review of procedures & rules will be done. The first teams to compete will be called down. These teams report to the Competition Tables that have been assigned to them for that race (announced by a Division Manager). Subsequent teams will be called to the "On Deck Tables" where they will have the opportunity to warm-up. From there, your team, and another, will be called up to compete at a Competition Table when it becomes available. (Only teams who have been called to the On Deck Tables should be there. Spectators must remain in the stands.)

NOTE: Coaches are to hold up their Team Sign (found in Team packet) for Division Managers to identify their team.

► Your team will compete at the same Competition Tables throughout your Age Division tournament. This will be a double-elimination tournament. This assures every team of competing in at least two matches. A "match" consists of the best two out of three relay races between two teams.

TO COACHES & STACKERS: To exhibit good sportsmanship, at the beginning and end of each match, win or lose, please line your team up to "high five" or shake hands with the opposing team. Please work hard to keep the day positive for everyone involved! Thanks!

► Once you've completed your first relay match, return to your seat in the stands. You can watch other teams in your division while waiting to take part in subsequent matches. A large poster will be on display in your division showing the competition brackets and how your team is progressing.

► At all times, keep your EYES and EARS open for your Division Managers. They will give a "first call" and a "last call" for your team to compete. If your team is late, it will result in an automatic forfeit. If your team continues to progress in the tournament, please return to your seat in the stands between matches. If your team loses two matches and is eliminated, please exit the Competition Area. If your team members still need to complete their Prelims, they may do so now. (See page 4) Once Prelims are completed, go participate in StackFest on both the North & South Concourses.

► The last two teams remaining in each division will qualify to compete in the final match to take place right then. The third and fourth place teams should remain for the medal presentations.

► Once the final match in your division tournament is completed, your Division Managers will award medals to the top four teams in your division. The presentation will be made at your age division sign.

NOTE: In all divisions where more than 16 teams are competing, two or more "mini" tournaments will take place. The top two teams of each "mini" tournament will then compete for top honors in a "mini-tournament Finals" for that division.

11:30am-1:30 pm **Head-To-Head 3-6-3 Relays** (3-3-3 for 6U), **and Prelims (Option 2), cont. Prelims (Option 2) Individual, Doubles & Timed 3-6-3 Relay**

► Stackers on teams that have been eliminated in the 3-6-3 Relays (3-3-3 for 6U) and who did not do all of their Prelims during the Option 1 time, may do so now. At first, these Prelims will only occur at the available competition tables in the Foyer Competition Area on the concourse. Once tables open up in the Age Divisions, these events will take place there as well. Once all Prelims are completed, go participate in StackFest with the whole family!

IMPORTANT!!!: 12:30 pm is the CUT-OFF TIME for Timed 3-6-3 Relay Prelims. Individual and Doubles Prelims will continue until 1:30 pm.

12:30-1:30 pm **Special Stackers Finals (Individual, Doubles & Timed 3-6-3 Relay)**

► These take place at the Special Stackers Division in the Foyer Competition Area. Once all of these finals have been completed and awards presented to Special Stackers, their families and friends will immediately move down to the stage in the main arena for a quick photo session and public announcement recognizing our Special Stackers!

1:30-3:00 pm **Head-To-Head Cycle Relays** (3-6-3 Relay for 6U)

► We will follow the same procedures as in the Head-To-Head 3-6-3 Relays (3-3-3 for 6U) with the exception that this will be a single elimination format. (Teams will be "seeded" in their brackets based on the Timed 3-6-3 Relay Prelims which must have been completed by 12:30 pm!) The only "consolation match" will be one to determine 3rd and 4th places after the "Semi-final" matches and before the Final match. Medals will be presented immediately to the top 4 teams in each division.

Note: The final match of the 6U Head-To-Head 3-6-3 Relay will be run on Sunday as part of the STACK OF CHAMPIONS.

3:30-4:30 pm **SPEED STACKS International Challenge (on stage)**

► SPEED STACKS, Inc., a Primary Sponsor of the 2009 WSSA World Sport Stacking Championships, has invited the top relay teams from around the world to represent their countries in this special event. Each country has been asked to provide up to two of its top teams to compete in this dual bracketed double elimination, Head-To-Head Cycle tournament. The final 2 teams from each bracket will advance to the Finals Stage on Sunday during the STACK OF CHAMPIONS. All are invited to pack the grandstands around the stage to watch this exciting international event.

4:30-5:30 pm **Open (19 & above) Division Head-To-Head Relays (on stage, 3-6-3, then Cycle)**

► This competition will also take place on the stage and follow the same H-T-H Relay procedures as previously described (3-6-3 - double elimination; Cycle - single - elimination).

SUNDAY, APRIL 19TH

8:00 am **Doors open**

► Find seats for you and/or your team in the section above your Age Division. Remember, Rows 1-5 in each section are reserved for spectators. Stackers sit in rows 6 and above.

8:00-8:45 am **Warm up Period**

► All stackers who qualified for today's Finals may warm up at the On Deck Tables on the arena floor or at the Warm Up Tables on either side of the Main concourse. Spectators please remain in the stands.

IMPORTANT NOTE ABOUT ALL FINALS EVENTS *For the specific location of each of the divisional Finals events, see "TIMED FINALS SCHEDULE & LOCATIONS" (page 7). To streamline the Finals, two competitors/teams will stack simultaneously, yet independent of one another, on separate tables in each division. All Finals will involve 2 judges and incorporate color-coded verification cards and possible "video review". (Note: Video review, when necessary will take place after all three tries. See WSSA Rule Book for details). Awards will be presented at each division immediately following each Finals event. The three "Overall" fastest stackers in EACH timed event from the Divisional Finals will qualify for the STACK OF CHAMPIONS on stage at 1:00 pm. (See page 6.)*

8:45-9:15 am **Individual 3-3-3 Finals** (see "Timed Finals Schedule & Locations")

► Each of the top 10 finalists from the Individual Prelims in each Age Division in the 3-3-3 stack will compete for 1st through 10th places. **(NOTE: Only Top 5 in Divisions 15,16,17 & 18.)** The 10 stackers will start from scratch and once again warm up and then stack three times. The On Deck Table procedure will once again be employed here. Stackers will go two at a time (on separate tables, independent of one another) starting with the 10th and 9th ranked finalists then the others in ascending order. The 2nd and 1st ranked stackers will go one at a time. Once all 10 stackers have competed they will be ranked and awards will be presented immediately.

Tie Breakers: In all timed events, ties are broken in both the Finals competition of each division as well as the Top Overall standings as follows: ties produced by identical times shall be separated by the second-best performances of the tying competitors; if a tie still remains, by the third-best performances; and finally then by the best Prelims time. If a tie still remains then it shall simply be deemed a tie.

9:15-10:00 am **Individual 3-6-3 Finals** (same location as 3-3-3 Finals above)

► Follow same procedure as 3-3-3 Finals above.

10:00-11:00 am **Individual Cycle Finals** (same location as 3-3-3 Finals above)

► Follow same procedure as 3-3-3 Finals above.

11:00-11:30 am **Age Division Doubles Finals** (see "Timed Finals Schedule & Locations")

► Each of the top 5 Doubles teams in each of the Doubles Age Divisions from the Prelims will compete for 1st through 5th places in the Finals. An "On Deck Table" warm up period will be provided. The 5th and 4th ranked teams will stack first, followed by the 3rd and 2nd ranked teams and finally the top ranked team. Once all 5 Teams have competed, they will be re-ranked and awards will be presented immediately. Note: Child/Parent Doubles Finals take place at 12:00 noon (see below).

11:30 am-12 noon **Timed 3-6-3 Relay Finals** (see "Timed Finals Schedule & Locations")

► **Spectators please move into grandstand seating.** Note that the center section is reserved first for the “family and friends” of the Stackers competing on stage. Also a section of seats is reserved for the competitors in the lower left grandstand.

1:00-3:00 pm STACK OF CHAMPIONS

The STACK OF CHAMPIONS will showcase the top 3 “Overall” fastest stackers in each timed event based on the Divisional Finals. Beginning with the third fastest from that event, each stacker/team has earned the opportunity to have another shot at bettering their time and potentially affecting the “Overall” outcome of the tournament.

Stackers/Teams can only “better” their time; they cannot “lose” what they have previously accomplished. Potential improved times will be video reviewed after the 3 tries. “Overall” places will be determined and awards will be presented immediately for that event.
